

Greg Thomas

Greg Thomas has a professional background in sales, sales management, and production management. Greg worked in the wireless industry for over nine years, primarily with Sprint, before moving on to work as Director of Business Development at a web development and internet marketing group, and now is a Business Consultant for Enterprise Minnesota. He also speaks to groups on innovation and marketing principles. He has a degree from South Central College in Mankato, MN with an emphasis on sales and marketing.

In addition to serving on the board of directors for the Regional Center for Entrepreneurial Facilitation (RCEF), Greg also currently serves on the board of directors for the Mankato Area Council for Quality, industrial advisory board for the College of Science, Engineering & Technology at Minnesota State University at Mankato, and the Greater Mankato Area United Way marketing committee.
